	<p>Heard Smt. Jayna Kothari, learned senior counsel appearing for the petitioner.</p> <p>Learned senior counsel would emphasize on the fact that the petitioner is without doubt disabled person in terms of the certificate produced to the tune of 50% as is indicated in the said certificate. Due to lack of clarity in the application filed online, the disability of the candidate was indicated as 'no' and he is been subjected to written test and interviewed as general candidate which has resulted in the non selection of the petitioner and selection of one Smt.
